

IN THE DRAWINGS:

The attached formal Replacement Sheets were previously filed with the U.S. Patent and Trademark Office on September 12, 2005. However, from the Examiner's objection to Figure 1 as being "informal," it appears that she may not have received some or all of the formal Replacement Sheets. For this reason, a second set of formal Replacement Sheets is submitted herewith. These sheets, which include FIGS. 1 through 6, replace all informal drawing sheets previously submitted for this application. No changes have been made. (See attached Replacement Sheet(s).)
